This topographic map of the Akaroa Harbour region in New Zealand's South Island highlights seven specific sampling locations, each marked with a green circle and a number. The locations are distributed across the harbour and surrounding land:

- 022**: Located on the western shore of the harbour, near the mouth.
- 023**: Located on the northern shore, west of Waimu.
- 024**: Located on the northern shore, east of Waimu.
- 025**: Located on the northern shore, further east towards French Farm.
- 026**: Located on the northern shore, near the head of the harbour.
- 027**: Located on the eastern shore, near the town of Akaroa.
- 028**: Located on the eastern shore, south of Akaroa.

The map provides detailed terrain information with contour lines, as well as roads, rivers, and other geographical features. A scale bar (0 to 2 km) and a north arrow are included in the bottom left corner for reference.
